

LUCCIOLA

ART.799 |

Lucciola is UNIQUE, compact, light and versatile. Available at 1200W, with 600W and 800W available as indent. Lucciola is installed under umbrellas and could be fixed to the ceiling or to the pole. In your garden, patio or veranda Lucciola guarantees immediate heating, low savings and IP 65 protection. Lucciola is created with an innovative nylon chassis and a Ruby lamp, which could be positioned both perpendicular and horizontal.
