

HATHOR LOW GLARE WHITE

COMING WITH WALL BRACKETS

VAST SPACES AND HIGH PERFORMANCES

HATHOR LOW GLARE is the most powerful set of heating lamps. Available in 3 versions: 2000W, 4000W and 6000W with the aim of expanding the area that needs to be heated. Ideal in public places such as restaurants, warehouses, churches. Rated IP55, it is water and dust proof.

It can be placed at more than 3,5m height both on ceilings and walls.

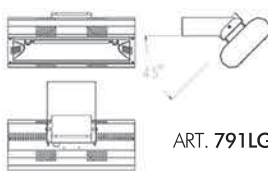

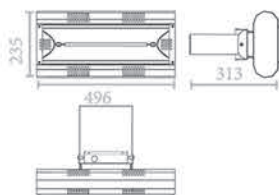

HIGH PERFORMANCES WITH LOW LUMINOUS IMPACT

The low glare version uses a lamp with a low luminous impact (only 7 lux for the 791LG at 3m) so that it does not interfere with existing lighting systems in public places.
